

ESSRI, Energy for Sustainable Science at Research Infrastructures

Wednesday, 25 September 2024

Welcome Reception & Student Poster Session (18:30 - 20:30)

time	[id] title	presenter
18:30	[76] Design of superconducting magnetic energy storage (SMES) for civil applications (Poster)	HERNANDO, C.
18:30	[77] The role of fusion energy in future energy scenarios (Poster)	MANTILLA, C.
18:30	[78] Realization of an Energy System-Informed Digital Twin of the KARA Accelerator at KIT in a Real-Time Simulation Environment: the ACCESS Project (Poster)	MOHAMMAD ZADEH, M.
